

CURRICULUM VITAE

Timothy Allen Steenbergh

HIGHER EDUCATION

- 2003 Two-Year Postdoctoral Fellowship in Clinical Health Psychology and Medical Education
Michigan State University and Genesys Regional Medical Center
- 2001 Ph.D., Clinical Psychology, The University of Memphis
Area of specialization: Behavioral Medicine
- 1995 M.A., Psychology, Ball State University
- 1993 B.S. with honors in Psychology, Indiana Wesleyan University

HONORS AND AWARDS

- ❖ Co-Author of Grant County Drug Court Enhancement Grant from Department of Justice (Grant 2015-DC-BX-0066; \$137,813), 2015-2017.
- ❖ Faculty Scholarship Award from the IWU Lilly Research Initiative (\$7750), 2016-2017.
- ❖ Faculty Scholarship Award from the IWU Lilly Research Initiative (\$3190), 2015-2016.
- ❖ Faculty Scholarship Award from the IWU Lilly Research Initiative (\$4568), 2014-2015.
- ❖ Co-Author of Grant County Drug Court Enhancement Grant from Department of Justice (Grant 2013-DC-BX-0021; \$91,762), 2013-2015.
- ❖ Faculty Scholarship Award from the IWU Lilly Research Initiative (\$2700), 2013-2014.
- ❖ Faculty Scholarship Award from the IWU Lilly Research Initiative (\$3000), 2012-2013.
- ❖ Co-Author of Grant County Drug Court Enhancement Grant from Department of Justice (Grant 2011-DC-BX-0204; \$199,903), 2011-2013.
- ❖ Faculty Scholarship Award from the IWU Lilly Research Initiative (\$2030), 2011-2012.
- ❖ Sabbatical, Indiana Wesleyan University, Fall 2010.
- ❖ IWU Lilly Seminar Award to study Personal Formation (with Drs. Daugherty, Fry & Runyan) (\$15,000), 2010-2011.
- ❖ Finalist, Outstanding Teaching and Mentoring Award, Indiana Wesleyan University, 2010.
- ❖ Faculty Scholarship and Research Loading Awards (with Dr. Brian Fry) from the IWU Lilly Research Initiative (\$3900), 2009-2010.
- ❖ Co-Principle Investigator of *Spiritual Transformation and Human Flourishing: An Exploratory Study of Character Formation with Implications for Understanding and Treating Addictions*. Grant funded by Addictions Studies Center, Indiana Wesleyan University (\$16,300 for 2009).
- ❖ Co-Author of Grant County Drug Court Enhancement Grant from Department of Justice (Grant 2009-DC-BX-0062; \$199,858), 2009-2011.
- ❖ *Why I Teach* first place essay, 2009. Sponsored by McGraw-Hill.
- ❖ Hinds Research Award, Indiana Wesleyan University (\$6000 and course reduction), 2006-2008.
- ❖ Faculty Scholarship Award from the IWU Lilly Research Initiative (\$4000), 2005-2006.
- ❖ Selected for Who's Who Among America's Teachers Award, 2005.
- ❖ Dean's Citation for Academic Excellence, Ball State University, 1995.
- ❖ Graduated Summa Cum Laude, Indiana Wesleyan University, 1993.
- ❖ NAIA Academic All-American Awards in Track & Field and Cross Country, 1992.

TEACHING EXPERIENCE

- 2011-
Present ***Professor of Psychology***
Department of Psychology, Indiana Wesleyan University, Marion, Indiana.
- Responsibilities include teaching undergraduate courses in Abnormal Psychology, Intermediate Statistics, Research Methods, and Senior Seminar in Psychology. Conduct empirical research on addictive behaviors and human flourishing, as well as the development and application of real-time mobile assessment and intervention strategies. Provide supervision to undergraduate teaching and research assistants, and mentorship to advanced students conducting independent research projects through the EMA Lab (www.emaresearch.org).
- 2006-2010 ***Associate Professor of Psychology***
Department of Psychology, Indiana Wesleyan University, Marion, Indiana.
- 2003-2006 ***Assistant Professor of Psychology***
Department of Psychology, Indiana Wesleyan University, Marion, Indiana.
- 2001-2003 ***Clinical Instructor***
Departments of Psychiatry and Family Practice
Michigan State University College of Human Medicine
Genesys Regional Medical Center, Grand Blanc, Michigan.
- Responsibilities included teaching behavioral science curriculum to family practice and internal medicine residents, as well as teaching basic psychopathology to third year Michigan State University College of Human Medicine students during their psychiatry clerkship. Teaching methods included group lectures, one-on-one discussions, outpatient clinical precepting, inpatient psychosocial rounds, and videotaping during clinical encounters. Provided clinical supervision to a pre-doctoral clinical psychology student.

RESEARCH EXPERIENCE

- 2016-
Present ***Research Fellow***
Lumen Research Institute, Excelsia College, Sydney, Australia
- 2003-
Present ***Research Design and Statistical Consultant***
Marion, IN
- Provide statistical and quantitative research design consultation to individuals and organizations.
- 2001-2007 ***Research Associate***
The Institute for Gambling Education and Research, The University of Memphis, Memphis, Tennessee.

Provide consultation on grant writing and study design. Worked collaboratively on a number of small studies, as well as a large-scale federally funded study examining the relationship between gambling behavior and health risk behaviors.

1996-2000 ***Graduate Research Assistant***

The Institute for Gambling Education and Research, Memphis, Tennessee.

Responsibilities included grant writing, study design, development and validation of measurement instruments, supervision of data collection and coding, data analysis and manuscript writing. Projects included psychometric investigations of problem gambling instruments, development of gambling-related cognitive measures, gambling analog studies, and prevalence studies of problem gambling within college populations. Supervisors: Andrew Meyers, Ph.D., James Whelan, Ph.D.

1997-1999 ***Data Manager***

Nicotine Replacement Therapy Project

University of Memphis Center for Community Health, Memphis, Tennessee.

Managed data for a 4-year National Cancer Institute- funded primary care-based clinical trial of combined cognitive-behavioral and nicotine replacement therapies for smoking cessation (Principle Investigator: Robert C. Klesges). Responsibilities included tracking study participants, developing SPSS databases, training research assistants in data collection and coding, data analysis, report writing and conference presentation. Supervisor: Margaret DeBon, Ph.D.

1997-1998 ***Graduate Research Assistant***

Memphis Smoking Prevention Project

University of Memphis Center for Community Health, Memphis, Tennessee.

Assisted in the administration and evaluation of a school-based smoking prevention program for over 7000 junior high students in the Memphis City Schools. Responsibilities included literature review, research protocol development, field data collection and data coding. Supervisor: Marian Levy, D.P.H.

CLINICAL EXPERIENCE

2008-2009 ***Sport Psychology Consultant***

Aldersgate Center, Indiana Wesleyan University

Provided brief psychological interventions for collegiate athletes.

2005-2008 ***Licensed Clinical Psychologist***

Family Care Center, Marion, Indiana

Provided individual and couples therapy to adolescent and adult outpatients on a part-time basis. Presenting problems represented a wide range of Axis I diagnoses

2001-2003 ***Post-Doctoral Health Psychology Fellow***

Behavioral Science Department, Michigan State University Family Practice

Residency Training Program, Genesys Regional Medical Center, Grand Blanc, MI.

APA-approved post-doctoral fellowship in primary care health psychology. Provided psychological consultation to family practice and internal medicine residents and attending physicians in outpatient primary care clinics, outpatient clinical services to child and adult outpatients, and consultation-liaison services for inpatients in a large community hospital. Also delivered specialized health behavior assessment and intervention services for inpatients and outpatients. Supervisors: B. Joyce, Ph.D., M. Vogel, Ph.D.

2000 - 2001 ***Health Psychology Intern***

Cleveland VA Medical Center, Cleveland Ohio.

APA-approved internship program with specialty training in health psychology. Rotation in outpatient general medicine clinics involved psychological consultation to medical residents in primary care, women's health and endocrine clinics, as well as some consultation-liaison work on inpatient wards. Provided brief outpatient therapy for risk factor reduction and medication non-adherence. Conducted psychological evaluation and treatment of outpatients with variety of Axis I and II disorders. Inpatient mental health rotation involved psychological evaluation and treatment of patients with chronic mental illness. Rotation in multidisciplinary pain clinic required behavioral, psychometric and physiological assessment of pain, treatment plan formulation, intervention and follow-up assessment.

Supervisors: G. Strauss, Ph.D., R. W. Goldberg, Ph.D., ABPP, E. N. Carroll, Ph.D.

1999-2000 ***Assistant Director and Therapist***

The Gambling Clinic: A Center for Self-Change, The University of Memphis, Memphis, Tennessee.

Administrative duties included grant writing, marketing strategy development and implementation, and serving as a liaison between community service organizations and the Clinic. Clinical responsibilities included development of a cognitive-behavioral treatment for problem gamblers, therapist training, intake assessment, treatment planning and delivery, and follow-up assessment.

Supervisors: Andrew W. Meyers, Ph.D., James P. Whelan, Ph.D.
